Invitation to a panel discussion on June 21, 2016

How resilient are the European and the US banking systems?

A panel discussion on lessons and experiences from the past financial crisis, emerging challenges and the new resolution framework.

On the occasion of the annual *Riksbank Macprudential Conference Series*, June 21-22 2016, organised jointly by the Riksbank and the Swedish House of Finance, we are pleased to invite you to a discussion between:

- **Panicos Demetriades**, professor University of Leicester and former governor of the Central Bank of Cyprus
- **Randall S Kroszner**, professor University of Chicago and former governor of the American Federal Reserve System
- **Marco Pagano**, professor University of Naples Federico II and chair of the Advisory Scientific Committee of the European Systemic Risk Board

Cecilia Skingsley, Deputy Governor of the Riksbank, will moderate the discussion.

The discussion will focus on:

- Experiences from the past financial crisis and lessons learned
- How well prepared the banking systems are to deal with new challenges

Time and place

The discussion will take place on Tuesday, June 21 at 8.00-9.30 at the Swedish House of Finance, Drottninggatan 98, 4th floor. Coffee and tea will be served.

Registration

Please RSVP no later than June 14, by sending an email to info@sifr.org.
