■ Monetary policy meeting in April brought forward

The Executive Board of the Riksbank has decided to bring forward the monetary policy meeting previously planned for Wednesday 18 April to Tuesday 17 April at 09.00. The publication of the monetary policy decision and the Monetary Policy Update will therefore be moved from Thursday 19 April to Wednesday 18 April at 09.30. This decision is due to the Governor's international commitments.

The date for the implementation of the repo-rate decision will not be changed. Consequently, the repo-rate decision made by the Executive Board on 17 April will apply from and including 25 April, as previously notified.
