■ The Swedish Financial Market 2004

The Riksbank has today published *The Swedish Financial Market 2004* (in Swedish – an English version will be available in August). This publication is issued once a year. Its purpose is to use the statistics available in this field to provide a general description of the entire Swedish financial system. The Swedish Financial Market 2004 mainly covers flow statistics for the whole year 2003 and stocks statistics as of 31 December 2003.

The publication is available as a PDF-file on the Riksbank's website, under the heading Published/Publications/The Swedish Financial Market. A printed version can be obtained from the main entrance of the Riksbank, Brunkebergstorg 11, or ordered via e-mail, forradet@riksbank.se, fax, +46-8-787 0526, or telephone, +46-8-787 0000.
