## ■ Bank of Israel Governor Stanley Fischer visits Riksbank

On Monday 17 October, the governor of the Bank of Israel, Stanley Fischer, will visit the Riksbank. Mr Fischer has previously held the position of First Deputy Managing Director of the International Monetary Fund, IMF.

Stanley Fischer will meet the Executive Board of the Riksbank and representatives of the Riksbank's monetary policy and financial stability departments in order to discuss current central banking issues.

A meeting with the press is planned on Monday afternoon. For further information, contact Tomas Lundberg, Press Officer, tel. +46-8-787 0215.
