

Press Release

30 JUNE 2000 NO. 41

New targeted information on www.riksbank.se

The Riksbank has created a new page on its website www.riksbank.se under "For counterparties and participants".

The page contains information about the securities the Riksbank accepts as collateral, the criteria for Riksbank counterparties in monetary and exchange rate policy operations ("primary dealers") and the criteria for participants in the RIX payment system.

The page also contains statistics of turnover in the Swedish foreign exchange market and in the money and bond markets, and bids and allotments in the main refinancing repos.

For more information, please contact the Market Operations Department:
Berit Holmquist, tel. +46 8 787 0251.
