

Press Release

21 APRIL 2001 NO 25

Bergström about the repo rate

At an informal press meeting after a speech in Malmö Deputy Governor Villy Bergström said that he shares the view First Deputy Governor Lars Heikensten presented in a speech from 18 April that the repo rate should remain unchanged. However, Villy Bergström underlined that new information presented before the next monetary policy meeting, 26 April, could change the picture.
